01

Brand Strategy

الاستراتيجية

Who Alshorouk is, what it stands for and how it speaks.

1.1–1.2 Brand story, vision & mission

القصة والرؤية والرسالة

Alshorouk means sunrise. Every morning, healthy herds and flocks depend on medicines arriving on time.

Alshorouk distributes veterinary medicines and vaccines to vets, farms and clinics. The rooster, first to announce the day, is the mark: alert, upright, early. The identity keeps that character and adds the discipline expected of a pharmaceutical supplier.

الشروق شريك موثوق لتوزيع الأدوية واللقاحات البيطرية، يصل في موعده ويحفظ الجودة في كل خطوة.

Vision

To be the most dependable name in veterinary supply: the distributor vets call first.

Mission

Deliver authentic, correctly stored veterinary medicines and vaccines on schedule, backed by product knowledge and clear service.

1.3–1.5 Values, positioning & audience

القيم والتموضع

Integrity · الأمانة

Authentic products, honest information.

Precision · الدقة

Cold chain, batch and dose handled correctly.

Reliability · الالتزام

Deliveries arrive when promised.

Expertise · الخبرة

Veterinary knowledge behind every order.

Positioning

A professional veterinary distributor: more specialised than a general pharmacy, more corporate than a farm-supply shop. Not a pet brand or a poultry-only brand.

Audience

Veterinarians and clinics · poultry, dairy and livestock farm managers · pharmacies and sub-distributors · institutional buyers.

Personality

Professional, steady, alert, direct. Strong without aggression. Confident without exaggeration.

1.6–1.9 Tone of voice & messaging

نبرة الصوت

We are	We are not	In action
Clear and factual	Hype or exaggeration	“Delivered within 24 hours to registered clinics.”
Knowledgeable	Jargon-heavy	“Store between 2–8 °C on receipt.”
Respectful of vets	Salesy or folksy	نوفر لك اللقاح الأصلي في موعده.

Primary line: لتوزيع الأدوية واللقاحات البيطرية

The descriptor is part of the logo and is never rewritten. No English slogan exists in the source identity; any new line requires approval. Example figures in sample copy are illustrative only.

02

Visual Identity

الهوية البصرية

Logo, colour, typography, visual language, photography and icons.

2.1–2.3 The logo

الشعار

Clear space x = 15% of logo width, on every side

One lockup: rooster head, Arabic wordmark, signature curve, descriptor.

The crest is the most recognisable shape. The short dashes either side of the head echo the horizon. Never redraw, re-space or separate the parts.

Clear space

Keep x clear on every side. No text, edges or imagery enter this zone.

Minimum size

Full lockup: 28 mm print / 110 px digital. Mark without descriptor: 18 mm / 72 px. Embroidery: 45 mm.

2.4 Logo variations

النسخ اللونية

Full colour · light

White · dark

White · vermilion

Black · amber

Black · one colour

Amber · on black only

Vermilion · on black only

Full colour Preferred on white or light grey.	**White** On black, vermilion or dark photo areas.	**Black** Single-colour print, stamps, tape, forms.	**Amber / red** Only on black, special use.

2.5 Logo misuse

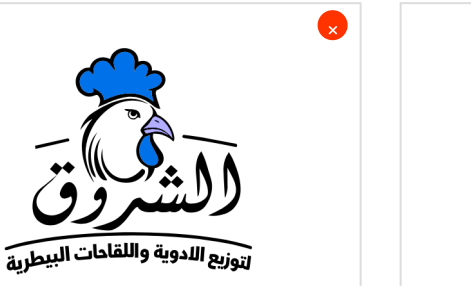

الاستخدام الخاطئ

Do not stretch

Do not rotate

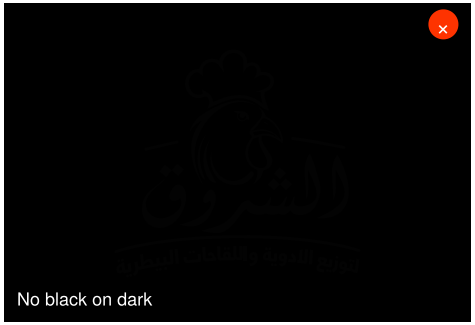

Do not recolour

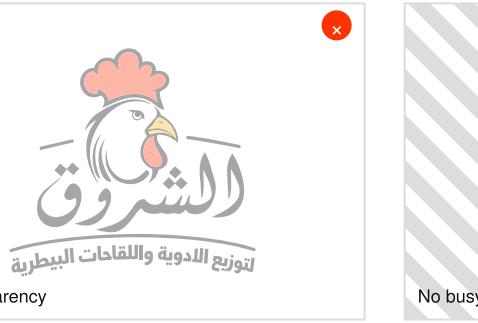

No shadows or effects

No full colour on amber / red

No black on dark

No transparency

No busy backgrounds

Usage ratio

White leads. Amber is 5% or less and never a text-block background. Black on white 21:1. White on vermilion (3.4:1) for large headlines only. Black on amber passes at all sizes.

Gradient

The sunrise: vermilion to amber. Large abstract areas and the curve only; never on text or the logo.

2.9–2.12 Typography

الخط والتسلسل

خط ثمانية

ا ب ت ث ج ح خ د ذ ر ز س ش ص ض ط ظ ع غ ف ق ك ل م ن هـ و ي

خفيف · عادي · متوسط · ثقيل · ثقيل جداً

Thmanyah (خط ثمانية) is the brand's Arabic typeface; its geometric, open forms match the wordmark. For Latin text and figures use Montserrat, a geometric sans with matching proportions. No third family.

This PDF previews with substitute fonts; install licensed Thmanyah for production.

Level	Weight	Print / digital	Leading
Headline · عنوان رئيسي	Heavy / bold	36–60 pt / 32–56 px	110%
Subhead · عنوان فرعي	Medium	18–24 pt / 20–28 px	120%
Body · نص أساسي	Regular	9–11 pt / 16 px	150–170%
Caption · تعليق	Regular	7–8 pt / 12 px	140%

Alignment
Arabic right (RTL), English left. Never justify short lines.

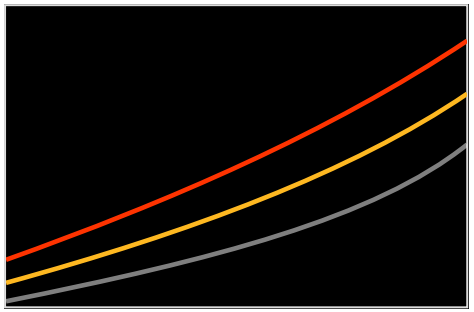

Numbers
Western digits 0–9.

Mixed text
English at 90% of Arabic size.

Kashida
Avoid letter stretching in running text.

2.13–2.17 Visual language: the Sunrise System

اللغة البصرية

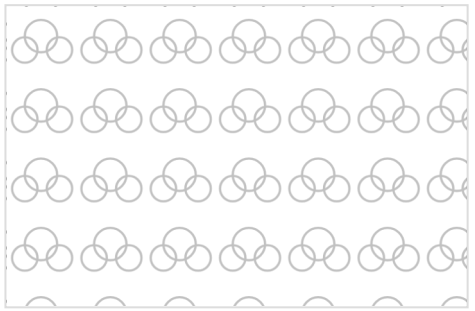

Signature curve

The arc under the wordmark, extended as 1–3 parallel lines, cropped off the edge. Vehicles, covers, banners. One group per layout.

Distribution flow

Straight lines, 45° turns, round nodes. One amber node marks the destination. Data posts, maps, wayfinding.

Crest pattern

Three overlapping circles from the crest. 10–20% opacity or tone on tone. Inside flaps, tape, wall bands. Never behind text.

Veterinary grid

A modular 4×4 layout grid. One module vermilion, one black, at most one amber.

Why	Where	How much	Never
Replaces stock decoration with shapes from the logo.	Vehicles, packaging, social, signage, print.	One asset per layout; the logo stays dominant.	Combine all four, or place over the logo.

2.18–2.19 Photography direction

التصوير

Subjects

Veterinarians at work, farm managers, vaccine handling, cold-chain storage, warehouse picking, loading and delivery. Real people doing the task.

Style

Documentary, natural light, honest framing, close on hands and product. Warm daylight, neutral shadows. Clean, never staged.

Avoid

Smiling stock poses, cartoon animals, composited animals on white, pet imagery, heavy filters.

Treatment	Overlay	Cropping	Rights
Natural colour, slight contrast lift.	Black 40–60% under white text.	Curve over the lower third.	Licensed or commissioned only.

Note: existing banner and window graphics use composited cow, sheep and chicken cut-outs; replace with documentary photographs on the next print run.

2.20 Iconography

الأيقونات

24-unit grid · 2-unit stroke · round caps and joins · 2-unit radius · no fills. Black on light, white on dark; vermilion for one active state only.
